Clients reference	: P31408.02A
ALS Reference	: <b>COQ-2604-1511</b>
Place of Inspection	: TPC
Date of Attendance	: April 15 <sup>th</sup> , 2026
Material	: Cu Cons (As declared)
Surveyor	: ALS Inspection Chile SpA
Inspector	: Juan Ulloa

### Scope

- As requested by our client Ocean Partners, our company was appointed to perform visual inspection at TPC, Coquimbo-Chile, to check the stock of goods declared as Cu Cons
- According to the inspection, the amount of material was visually verified on the facilities.

### Visual Inspection

- Material was observed gray in color, with an homogenic appearance and it was held stored in one (01) pile, located at Warehouse N°3.
- Piles are located in a covered warehouse with concrete floor.

Amount (MT) As declared
480.540 MT

### Weight (as declared)

JOSE GALAN TRUJILLO ALIAGA  
Gerente de Operaciones Minerales
