1. Generalities:

Product was found stockpiled at warehouse Sotral, Los Angeles, Chile. Cargo was stored in maxi bags to be stuffed into containers.

Stuffing Start	:	On May 08, 2026, at 10:15 Hrs.
Stuffing Term	:	On May 08, 2026, at 15:50 Hrs.

2. Product Inspection:

Cargo visual inspection and warehouse supervision were carried out prior to commence stuffing operation into container, cargo was noted clean and free of contaminants of any kind.

3. Stuffing of product:

Stuffing Operation was carried out into warehouse in a designated place for the activity. Cargo loading and stuffing into container was carried out assisted by an equipment previously inspected to rule out dirt, humidity, or leaks of any kind.

Visual inspection of the containers was carried out to check their cleanliness and physical condition, where no observations were recorded.

After weighing each container in the shore scale, each one was sealed, installing the seal assigned by carrier and the **ALS** seal on the door.
